Dear Dr. Sharda,

Thanks for your letter of February 6, 2003. and the kind sentiments you have expressed therein. It gives me immense pleasure to know that Visakha Valley School has made big strides. My heartiest congrats to all of you who have worked hard to achieve this high degree of progress. My blessings are always with you in your endeavours to make the School an outstanding temple of learning, knowledge and love.

Also thanks for your kindly sending me a copy of your School Magazine which I have glanced through with keen interest. If I may say so, it truly depicts the qualitative progress the School has made.

With Best Wishes

Yours sincerely,

(Abid Hussain)
